Jackson, Miss. (April 24, 2018) – Use pudding, granola, and chocolate chips to create your own edible fossil layers or make a rainstick and discover its origin in Central and South America. Check out our raised bed vegetable gardens and learn about the food we eat and where it comes from, then, plant your own garden with seed starters. These are just a few of the hands-on activities planned for Boy Scout Saturday at Mississippi Children's Museum (MCM) on Saturday, May 12 from 10:00 am – 2:00 pm.

Boy Scout Saturday is the perfect chance to enjoy MCM and earn merit badges at the same time! Pre-register today for this program through the Boy Scouts of America at \$40 per person, which covers the cost of admission for the entire day, program supplies, and a patch! Spaces are limited so register today!
