Mississippi Children's Museum celebrates spring with Bunnies & Butterflies in our beautiful garden spaces

Jackson, Miss. (March 6, 2018) – Join your friends at the Mississippi Children's Museum (MCM) as we welcome spring with *Bunnies & Butterflies* on Saturday, March 31 from 10:00 a.m. - 2:00 p.m. Our beautiful garden spaces will spring to life for this special weekend celebration!

Children are invited to dig into the warm soil to plant their own garden, discover the science behind bubbles, and create their own unique costume of silly bunny ears or whimsical insect wings. In our Literacy Garden, children will be invited to experience movement as hopping bunnies and fluttering butterflies. Coming to life will be the newly planted Pollinator's Garden, with unique plants attracting butterflies, birds and a variety of pollinating creatures. The magical events of the day will conclude with a live butterfly release in our Literacy Garden!

All activities are included with \$10 general admission or MCM membership. For more information, visit www.mschildrensmuseum.org.
