

# 7<sup>th</sup> Annual Clarksdale Film Festival January 26 – 28, 2017

We are proud to bring a brand new, expanded edition of the Clarksdale Film Festival in historic downtown Clarksdale, MS.

This will be a long weekend of new, indie, and classic movies celebrating our region's music, culture, and characters.

From documentary shorts to full-length features, from blues movies to Southern favorites, Delta Cinema and the New Roxy will host an amazing selection of known and unknown masterpieces, along with live music, special guests, workshops, and history bus tours by Robert Birdsong.

Please join us!

Support is always needed to continue to make this and other festivals even better each year.
