Ocean Springs Named as Amazing Affordable Beach Town

(Ocean Springs, MS) - Playing off its 2016 win of one of the “25 best beach cities in America”, Ocean Springs made the “Thrillist” this year as one of the “most amazing American beach towns that you can afford to live in”.

Factoring in median home prices, home size, property taxes and annual housing cost, Thrillist teamed up with SmartAsset and determined which towns were the overall most affordable beach towns in America. Also on the list were other Mississippi Gulf Coast communities of Biloxi, Gulfport and Bay St. Louis.

Ocean Springs made it in the top 10 of the list as the “beachiest” with a median home price of \$151,500. Quoted as “one of the best beach towns”, the article mentions the nightlife of Government Street and its proximity to the islands.
