SECTION 6. Evaluation and Award

Qualifications will be evaluated in accordance with the criteria set forth in this RFQ.

All qualifications received in response to this RFQ by the stated deadline will receive an evaluation. The evaluation of any qualifications may be suspended and/or terminated at the Agency's discretion at any point during the evaluation process at which time the Agency determines that said qualifications and/or Offeror fails to meet any of the mandatory requirements as stated in this RFQ, the qualifications are determined to contain fatal deficiencies to the extent that the likelihood of selection for contract negotiations is minimal, or Agency receives reliable information that would make contracting with the Offeror impractical or otherwise not in the best interests of MDA and/or the State of Mississippi. Offeror's qualifications may be rejected and excluded from further consideration of award.

- 6.1 Minor Informalities:** Minor informalities are matters of form rather than substance; are evident from the proposal or qualification; are insignificant mistakes which can be waived or corrected without prejudice to other offerors; and the effect of a correction on price, quantity, quality, delivery, or contractual conditions is negligible. The Agency may waive such informalities or allow the offeror to correct them depending on which the Agency determines is in its own best interest and does not prejudice the other offerors.

If insufficient information is submitted by an offeror with the qualifications for the Agency to properly evaluate the qualifications, the Agency has the right to require such additional information as it may deem necessary after the time set for receipt of qualifications, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured.

- 6.2 Discussions:** Discussions may be conducted with Offerors who submit qualifications determined to be reasonably susceptible of being selected for the award, but qualifications may also be accepted without such discussions.

- 6.3** Agency intends to evaluate Offerors' qualifications as described below: .

6.3.1 Step I: Compliance Review: Determination of Responsive and Responsible Offerors (Pass/Fail)

During this initial phase of the evaluation process, all qualifications received are reviewed to determine whether the offeror is responsive and responsible. In order to determine which offerors are responsive and responsible, the Agency official conducting the procurement shall evaluate: (1) whether each offeror was responsive and provided all information in the format required by the RFQ; (2) whether each offeror is responsible and objectively meets the minimum qualifications set forth in the RFQ.

Compliance requirements are not assigned a point percentage or score but are simply recorded as **Pass or Fail**.

If any component receives a Fail score (a “No” response) on any item or contains an item which for some reason cannot be evaluated, it may be deemed as non-responsive and/or non-responsible. Failure to comply with the RFQ requirements may result in the qualifications being eliminated from further consideration.

A. Responsive Respondent

Offeror must submit qualifications that conform in all material respects to this RFQ, as determined by the Agency.

- ***Nonconforming Terms and Conditions:*** A qualifications response that includes terms and conditions that do not conform to the terms and conditions in the qualifications document is subject to rejection as non-responsive. The MDA reserves the right to permit the offeror to withdraw nonconforming terms and conditions from its qualifications response prior to a determination by the MDA of non-responsiveness based on the submission of nonconforming terms and conditions.
- ***Conditioning Qualifications Upon Other Awards:*** Any qualifications submission which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi contract shall be deemed non-responsive and not acceptable.

B. Responsible Respondent

Offeror must have the capability in all respects to perform fully the contract requirements and the integrity and reliability which will assure good faith performance, as determined by MDA. At a minimum, an offeror must meet or exceed the minimum qualifications as stated herein to be deemed responsible.

If any component of the qualifications receives a Fail score (a “No” response) on any item or contains an item which for some reason cannot be evaluated, it may be deemed as non-responsive and/or non-responsible. Failure to comply with the RFQ requirements may result in the qualifications being eliminated from further consideration.

Qualifications can be found non-responsive, non-responsible, and/or rejected during any phase of the evaluation and/or award.

6.3.2 Step II: Evaluation of Written Management Qualifications- Evaluation Factors and Their Relative Importance (Total of 80 out of 200 points available)

During this phase, written submissions will be reviewed and analyzed by an evaluation committee through the process of consensus scoring. Written qualifications will be reviewed and scored in accordance with the stated criteria, the relative significance of which is stated, for how well the qualifications demonstrate the offeror’s ability to

adequately meet the needs of MDA.

The evaluation factors are listed in order of their relative importance.

Management Component: 0-80 Points total

1. Proposer's ability to provide the required services as reflected/evidenced by qualifications (education, experience, minority participation, etc.) This includes the ability of the Proposer to provide a work product that is legally defensible (**CRITICAL 0- 40 pts.**).
2. The personnel, equipment, and financial resources to perform the services currently available or demonstrated to be made available at the time of contracting (**VERY IMPORTANT 0-25 pts.**).
3. The degree of completeness of response to the specific requirements of the Solicitation (**VERY IMPORTANT 0-15 pts.**).

6.3.3 Step III: Oral Presentations- Evaluation Factors and Their Relative Importance
(Total of 120 out of 200 points available)

The Offerors whose written qualifications are *among the top three (3) scores in Step II* will be deemed Offerors invited to advance to Step III of the evaluation process. Step III is evaluated based solely on the information, both oral and written, presented in the Step III Oral Presentation process. Each Offeror will receive notice of the date and time at which it shall make an Oral Presentation. **Offerors advancing to Step III must make their Oral Presentations at the date and time established by the MDA as stated in 1.2 Procurement Timeline**, however, MDA reserves the right to set Oral Presentations, including the specific dates and times for each Offeror's presentation, at its discretion.

Each Offeror participating in Step III will be allowed up to 50 minutes for their presentation and the presentation will be followed by a 15-minute question and answer period. ***Failure of an Offeror to attend its Oral Presentation as scheduled by the MDA shall result in rejection of the Offeror's qualifications and continued participation in the procurement.***

Oral Presentations shall be evaluated, along with Offeror's responses to questions posed during and as part of the Oral Presentation process, and scored in accordance with the following criteria, the relative significance of which is stated:

1. **The Mississippi Story**: Demonstrate how your agency will tell the Mississippi story, grow Mississippi Tourism, and generate significant ROI. (**Critical 0-40points**)
2. **Vacation in Mississippi**: Show us how your agency is competent to market Mississippi as a travel/vacation destination. To what extent did the Offeror

demonstrate how the agency is competent to market Mississippi as a travel/vacation destination. **(Critical 0-20 points)**

3. **Prior Campaign**: Offerors shall provide no fewer than two (2) and no more than three (3) prior tourism/marketing campaigns completed within the last three (3) years. For each campaign submitted (maximum 3–5 pages per campaign), Offerors must include objectives and target markets, channels/tactics used (e.g., video, print, digital), strategy overview, measurable results with numbers reflecting effectiveness and outcomes, and budget range. **(Critical – 0 to 30 points)**
4. **Cross functionality**: Show us how your agency is cross functional, media buying, account management, writing, design, production (print and electronic), social media, web design, web programming, mobile marketing, content management, all across a fully integrated marketing program. **(Critical 0-30 points)**

Each Offeror may receive, in advance of the Oral Presentations, statements of the areas of information and/or demonstration to be presented at Oral Presentations in addition to the above stated criteria. Also, at Oral Presentations, Offerors may be required to answer questions by some or all members of the Evaluation Panel. Questions by members of the Evaluation Panel may be directed at the content of the Offeror's presentation or to other information deemed necessary to evaluate the Offeror in accordance with the four criteria set forth in this Section 3.D. Each Offeror's Oral Presentation and responses to questions from the Evaluation Panel shall be used to score each Offeror in Step III under the above criteria.

6.3.4 Finalize Contract

MDA will contact the offeror with the qualifications which best meet the agency's needs (based on factors evaluated as stated herein) and may attempt to negotiate an agreement that is deemed acceptable to both parties.

6.4 Negotiating with Next-Ranked Offeror

Should negotiations fail to result in a contract that is acceptable to both parties, or the State ceases doing business with any Contractor selected through this RFQ process, for any reason, the State reserves the right to initiate negotiations with the next ranked Offeror.

6.5 Award

The Agency will issue a Notice of Intent to Award to the responsive and responsible Offeror whose qualifications are determined in writing, to be the most advantageous to the State/MDA
