

# MISSISSIPPI

TOURISM ASSOCIATION

*As the fourth-largest industry in our state, tourism is a consistent, multi-billion dollar producer for Mississippi. Tourism also develops communities that aren't just attractive to visitors, but also to residents and potential residents. A nice place to visit is a nice place to live and work. It all starts with a visit.*

**44.2  
Million  
Visitors**

**\$18.1. Billion  
Total Economic  
Impact**

**\$1.1  
Billion for the  
General Fund**

**136,094  
Tourism Jobs**

**\$8.4 Billion  
Total GDP of  
Visitor Economy**

The tourism industry in Mississippi is stronger than ever, and the demand for travel to our state continues to be robust. Statistics indicate that, on average, approximately **\$32.6 million** was spent every day of 2024 by Mississippi visitors.

The direct visitor spend of **\$11.9 billion**, combined with indirect and induced impacts totaling **\$6.2 billion**, generate a total economic impact of **\$18.1 billion**

**136,094 tourism-supported employees** translates to **one-in-13 jobs** in Mississippi is tourism-related.

Of the **\$11.9 billion** spent, food and beverage purchased accounted for **\$3.0 billion – 25 percent** of all visitor spending.

“These remarkable numbers are more than statistics—they represent hardworking Mississippians whose livelihoods are strengthened by the travel and tourism industry. They reflect the charm of our communities, the vibrancy of our cultural heritage, and the growing recognition of Mississippi as a premier destination.”

**Governor Tate Reeves**

# How does tourism impact **ALCORN** County?

In 2024, direct visitor spending in the county totaled \$82.5 million.
